MARGINS:

PROOFS:

PDF proof and prior to production sample required:

Contractor to submit one Press Quality PDF soft proof (for content only) using the same Raster Image Processor (RIP) that will be used to produce the final printed product. PDF proof will be evaluated for text flow, image position, and color breaks. Proof will not be used for color match.

Email proofs on or before March 3, 2023.

The proofs will be checked for quality and compliance with these specifications, approved or approved with comments and the contractor will be notified within ONE (1) workday after receipt. If, in the opinion of the GPO and/or Department, the proofs are not a true representation of the furnished copy, or contain noticeable defects they will be rejected must be corrected and reproofed at no additional expense to the Government. The schedule stated elsewhere in these specifications CANNOT be extended to allow for such reproofing.

Email proofs to brandon.e.ruddell.mil@army.mil. and jhunt@gpo.gov. Jacket number 747-006 must be in subject line.

Upon receipt of PDF approval, prior to the commencement of production of the contract production quantity, the contractor must provide one (1) no later than 10 days after PDF proof approval. Prior-to-production sample must be constructed as specified using the form, ink, equipment, and methods of production which will be used in producing the finished product.

The Government will approve, conditionally approve, or disapprove the samples within THREE (3) workdays of the receipt thereof. Approval or conditional approval shall not relieve the contractor from complying with the specifications and all other terms and conditions of the contract. A conditional approval shall state any further action required by the contractor. A notice of disapproval shall state the reasons therefor.

If the samples are disapproved by the Government, the Government, at its option, may require the contractor to submit additional samples for inspection and test, in the time and under the terms and conditions specified in the notice of rejection. Such additional samples shall be furnished, and necessary changes made, at no additional cost to the Government and with no extension in the shipping schedule. The Government will require the time specified above to inspect and test any additional samples required.

In the event the additional samples are disapproved by the Government, the contractor shall be deemed to have failed to make delivery within the meaning of the default clause in which event this contract shall be subject to termination for default, provided however, that the failure of the Government to terminate the

contract for default in such event shall not relieve the contractor of the responsibility to deliver the contract quantities in accordance with the shipping schedule.

In the event the Government fails to approve, conditionally approve, or disapprove the samples within the time specified, the Contracting Officer shall automatically extend the shipping schedule in accordance with Contract Clause 12, "Notice of Compliance With Schedules," of GPO Contract Terms (GPO Publication 310.2, effective December 1, 1987 (Rev. 01-18)).

Manufacture of the final product prior to approval of the sample submitted is at the contractor's risk. Samples will not be returned to the contractor. All costs, including the costs of all samples shall be included in the contract price for the production quantity.

All samples shall be manufactured at the facilities in which the contract production quantities are to be manufactured.

The prior-to-production sample must be delivered by the date specified above to:

Oklahoma National Guard
Oklahoma Military Dept./USPFO Warehouse
Attn: SFC Brandon Ruddell (405-228-5185)
2550 N Air Depot Blvd
Oklahoma City, OK 73141
-----one prior-to-production sample

COMPLIANCE REPORTING: Contractor must notify the ordering agency on the same day that the product ships/delivers via e-mail to: brandon.e.ruddell.mil@army.mil and to: infosouthcentral@gpo.gov. The subject line of this message shall be "Distribution Notice for Jacket 747-007, Req 3-00043". The notice must provide all applicable tracking numbers, shipping method, and title. Contractor must be able to provide copies of all delivery, mailing, and shipping receipts upon agency request.

QUALITY ASSURANCE LEVELS AND STANDARDS: The following levels and standards shall apply to these specifications:

PREAWARD SURVEY: In order to determine the responsibility of the prime contractor or any subcontractor, the Government reserves the right to conduct an on-site preaward survey at the contractor's/subcontractor's facility or to require other evidence of technical, production, managerial, financial, and similar abilities to perform, prior to the award of a contract. As part of the financial determination, the contractor in line for award may be required to provide one or more of the following financial documents:

- 1) Most recent profit and loss statement
- 2) Most recent balance sheet
- 3) Statement of cash flows
- 4) Current official bank statement
- 5) Current lines of credit (with amounts available)
- 6) Letter of commitment from paper supplier(s)
- 7) Letter of commitment from any subcontractor

The documents will be reviewed to validate that adequate financial resources are available to perform the contract requirements. Documents submitted will be kept confidential, and used only for the determination of responsibility by the Government. Failure to provide the requested information in the time specified by the Government may result in the Contracting Officer not having adequate information to reach an affirmative determination of responsibility.
